# ROAD MAP

HELIOS  
COIN

**First cluster installment.Pre-ICO.**  
50 kWt solar panels and immersion cooling boxes.  
ASICs installation.Beginning of mining.PRE-ICO.

APR-2018  
01

**Token pre-sale**  
Smart contract deployment.GitHub listing.Start of pre-sale.

MAY-2018  
02

JUN-2018  
03

**Launching HeliosCoin ICO**  
- beginning of ICO  
- mining clusters increasement  
- blockchain intercalation

SEP-2018  
04

**End of HeliosCoin ICO. Stock listing.**  
Stock listing.Order of 10 mWt  
solar off-grid solar systems.

NOV-2018  
05

**Power increasement - mining and solar**  
10 mWt electric solar system installment. Immersion cooling boxes installment.  
Mining equipment installment. Beguining of mining.

**Clusters distribution**  
• seeding solar clusters worldwide  
• mining softwars for distributed clusters  
• worldwide clusters distribution

DEC-2018  
06

JAN-2019  
07

**iOs and Android app**  
• iOs and Android app implementation for clusters buyers
